

**ACADEMIC HONORS PROGRAM (AH)  
PETITION TO GRADUATE with the AH designation**

In order to be eligible to graduate with the Academic Honors Program, you need to have taken at least 18 credits of honors/honors-option courses (6 credits of which must be from 300 and 400 level classes) OR have completed an Honors Thesis by the end of the last semester of your degree. You must also have a 3.0 GPA (or above) and have taken at least 1 honors course per year while you were in the Academic Honors Program.

Please fill out this form COMPLETELY so that we can have a medal(s) made for you, generate a certificate of completion, include you in the Honors ceremony, have you recognized at the graduation ceremony, and have the Academic Honors Graduate designation printed on your transcript. **DEADLINE for form: February 15th, 2007**

Please check **ALL** that apply:

I will have accumulated 18 credits of Honors or Honors Option coursework by the end of spring/summer 2007 semester. I understand that at least 6 of those credits have to come from 300 and 400 level classes.

I will have completed an HONORS THESIS by the end of the spring/summer 2007 semester.
