| <p>Name of person making recommendation _____</p> <p>Title _____</p> <p>Institution _____</p> <p>Contact information:</p> <p>_____ Address</p> <p>_____ Address</p> <p>_____ City _____ Zip</p> <p>_____ Phone</p> <p>_____ Email</p> <p>Relation to applicant:</p> <p><input type="checkbox"/> Academic advisor</p> <p><input type="checkbox"/> Faculty (geology)</p> <p><input type="checkbox"/> Faculty (non-geology)</p> <p><input type="checkbox"/> Other _____</p> |
|--|

1. Please explain how you believe the applicant will contribute to, and benefit from, the REU at Mesa State College (Field-Based Studies of Landscape Evolution in Western Colorado):

2. Would you feel comfortable taking this student into the field on strenuous hikes in rugged terrain?

3. We are trying to recruit students who are in the early stages of their research careers (Freshmen, Sophomores, or Juniors as of Fall 2007; or will not graduate until after Spring 2008). How does this applicant compare to other freshmen and sophomores in your program:

- Best student at this level**
- One of the best students at this level**
- An above average but not outstanding**
- If student does not rank in the above categories, please explain why you consider this student to be an appropriate REU candidate**
